# Essential Skills

## Essential Skills by Key Stage

### KS3 (Years 7–9)

- Learn how to write strong paragraphs (PEE/PEEL)
- Practice interpreting data and graphs
- Review science keywords and key terms
- Strengthen mental maths and estimation

### GCSE (Years 10–11)

- Focus on past papers and mark schemes (AQA, Edexcel)
- Learn how to structure extended responses and essays
- Review equations, formulas and vocabulary lists
- Use active recall and spaced repetition

### A-Level (Years 12–13)

- Plan essays with clear arguments and evidence
- Connect ideas across modules (synoptic thinking)
- Build wider reading into a weekly routine
- Start early on personal statements (if applicable)

Were there any steps you had to revise or change along the way? Why?

# Goal-Setting Worksheet

What I Know:

What I Want to Know:

What I Learned:

# Targets Worksheet

This Week's Goals

How Will I Achieve Them?

What Will Success Look  
Like To Me?

# Self-Assessment

Read each statement in the chart below, copying and pasting the faces according to how you feel about your effort and work.

	I did this all the time
	I tried to do this most of the time
	I did this some of the time
	I did this a little
	I did not do this

Statement	Assessment
I tried my best throughout this revision.	
I effectively managed my time during revision.	
I completed all tasks during revision.	
I found effective solutions for challenges.	
I clearly understood my goals.	

# Personalised Support
